ABOUT THE FOUNDATION

Oliver G Foundation is a non-profit, charitable trust with a special emphasis on promoting education, entrepreneurship and economical growth in underdeveloped areas in India. Our founders Gaugarin and Madavi Oliver are passionate about the cause and are actively involved in global organizations focusing on education and entrepreneurship. It is their goal to channel their resources and expertise, muster local support and build an ecosystem that stimulates economical growth in under developed regions.

Oliver G Foundation's programs include scholarships for deserving students, a business plan competition for aspiring entrepreneurs, and a new business accelerator program for entrepreneurs. With the right kind of information that is furnished through the right kind of mentoring, we strive to make Nagercoil's entrepreneurship dreams take shape into successful ventures.

ENTREPRENEURS DEVELOPMENT PROGRAM

The Oliver G Foundation takes pride in its vision to promote education, entrepreneurship and economical growth in underdeveloped areas in India. As a stepping stone to larger future endeavours, we are hosting a business plan competition for aspiring entrepreneurs in the Nagercoil region. The program will span about three months and will involve selecting interested participants, training them on the aspects of starting a business, inspiring them to develop ideas, helping them formulate a detailed business plan, and coaching them on presenting the business plan to a panel of judges. The winners of the competition receive Rs 1,00,000 as equity free seed investment in their companies. In addition, all the contestants and startups will be receiving an opportunity to meet and collaborate with the investors and win investments for their business.

AGENDA

1:00 PM - BUSINESS PLAN COMPETITION

Judging of Cohort 5 of the Entrepreneurs Development Program. Each company will have 10 minutes to present and 15 minutes of questions and answers to a panel of 5 judges. Winners will get Rs.1 Lakh equity free seed capital from Oliver G Foundation.
